Get the Destiny Discover app

The Destiny Discover web app gives you an additional entryway to Destiny Discover. Once you log in, it provides the same experience as when you access Destiny Discover directly from a browser.

The Destiny Discover app is compatible with the following device operating systems:
- Kindle: 2nd, 3rd, 4th and 5th generation Kindle Fire devices (app can only be installed on 3rd, 4th and 5th generation devices via side-loading)
- Nook: Barnes & Noble Nook HD / Nook HD+ supported tablets and devices
- Mac OS X: Mac and Mac OS X-supported desktops and laptops
- Apple iOS: Apple iOS-supported phones and tablets
- Android: Android-supported phones and tablets

Note: For additional operating and browsing specifications, see the Destiny Tech Specs in Destiny Discover Help.

To get the Destiny Discover app, go to the appropriate app store.
When you get, update or launch a previous version of the app, the following page might appear, depending on your device. Follow the instructions to bookmark or launch the app.

To log in to the Destiny Discover app:
1. Use the Location drop-down to select your state or province.
2. In the School field, type the first few letters of your school’s name. When your school appears in the suggestions, select it.
   Note: Steps 1 and 2 only need to be completed the first time you log in, or if you need to select a different school.
3. To log in with a username and password, tap Log In.
   Note: You can browse the Catalog by clicking Browse as Guest.
4. On the next screen, type your Username and Password, and then tap Submit.
   Note: You will remain logged in until you log out.
